Experts Predict the Future

British Medical Journal:

Survey of Physicians: "Greatest Public Health Advance in Modern Times?"

- Antibiotics?
 - Vaccines?
 - Anesthesia?
 - Other?
-

THE **GREATEST** Public Health Advance in Modern Times*

SEWERS

. . .get no respect

Loss of Status

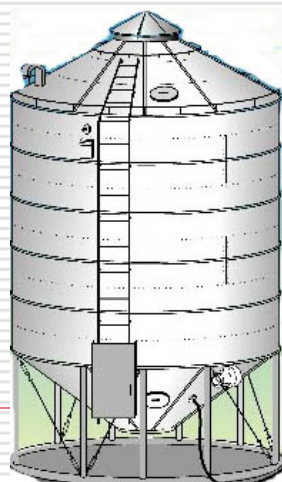

- 50's & 60's neglect

Loss of Status

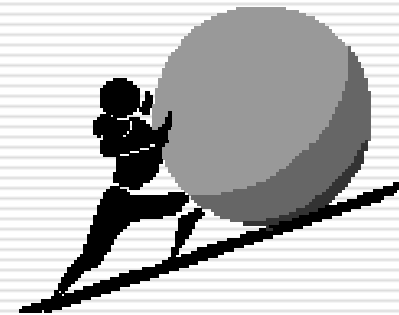

□ 50's & 60's neglect

□ 1972 FWPCA

Loss of Status

- 50's & 60's neglect
- 1972 FWPCA
- 2-3 decades of struggle

Loss of Status

- 50's & 60's neglect
- 1972 FWPCA
- 2-3 decades of struggle
- Failure to communicate

Today Opportunity Knocks

21st Century

Clean Water Professional
Top 10 Needs

Green is Beautiful

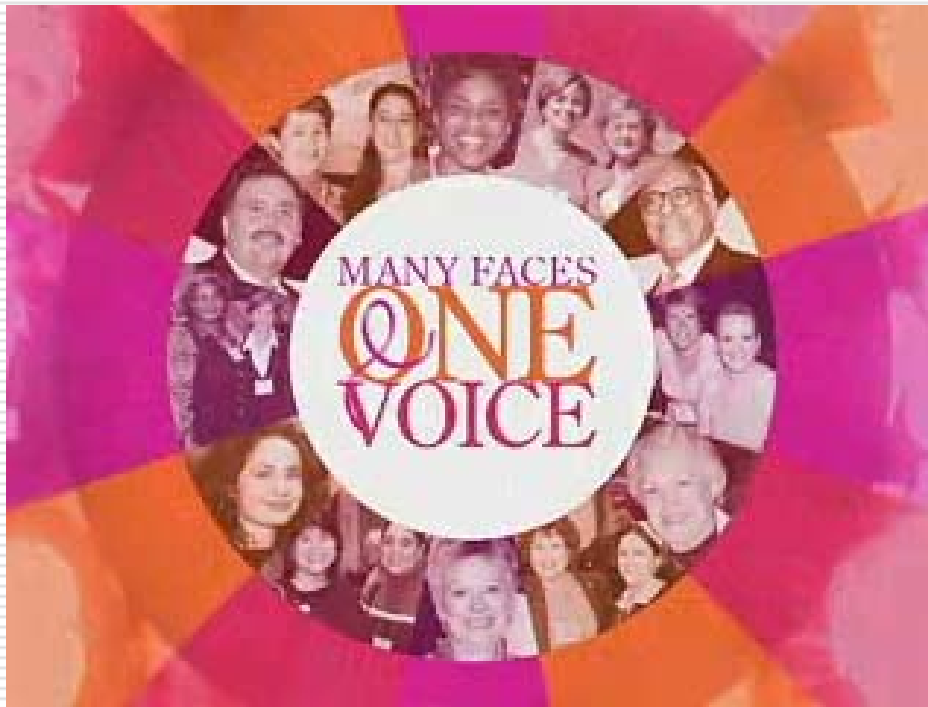

...it ain't easy
being green...

Sustainability Future is Today

"We do not inherit
the earth from our
ancestors. . .we
borrow it from our
children."

One Voice for Water

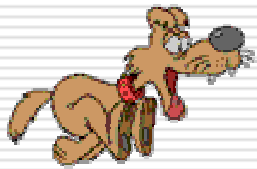

water is water
